FAQ SHEET

Question #1

Are you planning to stay in Katy, Texas as the Pastor?

ANSWER TO #1

The plan, Lord willing, would be to establish a Spanish speaking church plant, and then move on to another strategic location to plant another work.

Question #2

How do you intend to train up Latinos for service?

ANSWER TO #2

We would anticipate using “El Ministerio Bible Institute” DVD training that is currently being developed by a sister mission agency.

Question #3

Could you address the difficulty in reaching this religious people?

ANSWER TO #3

Family and religious heritage is strong, but the power of the gospel is greater to penetrate into the heart with liberating truth. The Apostle Paul was not a likely candidate to receive God’s grace in Christ either with his deep religious heritage. The other encouraging matter is that the Lord is building His church among this people group as witnessed by church plants in Iowa, California, North Carolina, Tennessee, and even Texas!

Question #4

When do you plan to arrive on the field?

ANSWER TO #4

We are praying the Lord to raise up supporters that we may go for a year of language school by October 2011. That would mean arriving on the field in October 2012.
